Companions:

Here is the latest update from the city on the Hillman Garage project (closing May 2) and shuttle options:

The City of Annapolis is unveiling an enhanced free downtown shuttle service ahead of the rebuild of Hillman Garage.

The free service, with upgraded buses, new design, increased frequency and new clearly marked signs to indicate each stop, will connect visitors and residents to parking garages and surface lots along West Street/Calvert Street/Church Circle and Main Street.

Operating seven days a week, the free shuttle will go into service Monday April 25 operating  
6 a.m. to 11 p.m. Monday through Friday,  
7 a.m. to 11 p.m. on Saturdays and  
8 a.m. to 8 p.m. on Sundays. The enhanced free shuttle will be in service beginning April 25.

Weekdays 6:30 a.m. to 9:30 a.m. and 3:30 p.m. to 6:30 p.m. it will be on a frequency of 10 minutes or less.

Free shuttle service signs will be erected at shuttle stops and will include a QR code so riders can check out where shuttles are located in real time.

Park Place Garage  
Knighton Garage  
West Street at Lafayette Street  
West Street at Calvert Street (westbound only)  
Church Circle/Circuit Court  
City Hall  
Main Street at Gorman Street

The City will also launch an open-air electric trolley to make a close-in loop between Calvert Street, State Circle, Maryland Avenue, Market Space, Main Street and West Street, accessible from Gotts Garage (25 Calvert Street), Whitmore Garage (37 Clay Street) and Calvert Garage (19 St. Johns St.). The "10-Minute Trolley" can be flagged down at any point along the route.

In late May, on-demand service will begin from mobility partner VIA to and from fixed locations using their proprietary smartphone app.

1,000 additional public parking spaces are available at the Navy-Marine Corps Memorial Stadium. Annapolis Transit operates the State Shuttle between the stadium and Maryland State House. The fare for a one-way trip on the State Shuttle is \$2.

Other downtown parking options will continue to include Dock Street, on-street metered locations (using ParkMobile), and close-in surface lots including Basil, Donner, South Street and Larkin.

Initial work on the Hillman garage rebuild began April 4 with the garage expected to close to parking on May 2 for the 14-month rebuild.
